# FORWARD

## TIME

is of the utmost importance in the life of a high school student. From the time he enters high school until the night of his graduation, he is constantly being confronted by class time, study time, organization time, social activities time, and very often, eating time.

Time is also spent in anticipation, day dreams, and the building of high hopes for the future. The high school student learns early that time is a young person's greatest wealth; it is his to waste or make productive.

THE TIME IS 1965 when Ceres Union High School showed a marked increase in enrollment. It was a time of change, when buildings went up and down, and when three school districts united into one. In the future more such change will occur, as the school grows with the city.

This Cereal will recall to you the comparatively short time spent in classes and on campus at Ceres High. The ticking of the clock might well be a reminder of the most important thing in the world--the passing of time; a reminder that the opportunity which today presents will never be repeated.

THE TIME IS 1965-- your year and your CEREAL.

# DEDICATION

The 1965 Cereal is dedicated to Mr. Harold Stephens. During the five years that he has been here he has participated in many of the student activities. For this reason we the Cereal staff feel that the Cereal should be dedicated to Mr. Stephens.

## SENIOR MESSAGE

As you scan the pages of the "65" Cereal for the first time your sojourn at Ceres High will be concluded. When you entered nigh school, each entertained doubt as to your eventual success. Today you can look back and review with certain pride the fact all requirements for the diploma have been completed. Congratulations to each member of the graduating class is in order. Your goal, high school graduation, is at hand.

The Class of "65" has maintained and extended the proud traditions of Ceres High Seniors. The classes that follow will be challenged to attain and extend your records.

At the conclusion of the commencement exercises you will officially join the illustrious throng of Ceres High Alumni. Your student days will be forever gone. Thereafter when you return to the halls of your Alma Mater, you will be alumni. Other classes will hoist the enviable senior banner but no class will ever take your place, for you are the "spirit of 65" and will live on in the annuals of Ceres High history.

# ACKNOWLEDGEMENTS

So many things go into the making of a yearbook that without the help of many people behind the scenes it would be impossible to do it alone.

Special thanks go first to our photographers, Shoob's. For only the price of getting the Senior business, these men spend countless hours away from the studio yelling their lungs out and snapping hundreds of dollars worth of pictures of a group of people who hardly seem to appreciate it. Many thanks to them.

Then, thanks go to Taylor Publishing Company who does such a fine job of publishing our book, and to the company representative, Mr. Joe Hodson.

We would also like to give a big thanks to all of the teachers who have relinquished much class time so that pictures could be taken.

Last, we would like to thank our advisor, Mr. Robert Messer, and the yearbook staff for all their efforts in putting this book together. We think that together, we have succeeded in producing a yearbook to be proud of, the 1965 Cereal.

# FACULTY

I signed it way back here so maybe you would find it because I'm not very good at writing things. All I can say is that besides being smart, real neat and cool, your a genius. I would say good luck but you don't need it.

Music is the universal language. Ceres Union High School Band speaks it well.

With the devoted efforts and time of Bert Stevenson the band has earned high acclaim throughout the state.

The band began the 1964-65 school year with an active season of marching. They provided each game and rally with lively music. In November they attended the Central California Band Review and brought home third place honors.

The Ceres Band was invited to perform at the National Music Educators' Convention, Western Division in April at Long Beach. They were chosen as one of the top bands in four states.

Through the organization of the band council, the band members were able to raise enough money for their journey south.

They also participated in the Band Festival at Stockton and ended the year with their annual Spring Concert.

## HOMECOMING "64"

The spirit was high and the attitude was one of boundless energy. During the week each day was devoted to a different aspect of the Homecoming Week. Monday was "Queens Day" and nominees for "A" & "B" queen were announced. Tuesday was "Stomp Lincoln Day" and most of the Student Body was wearing peculiar shoes. Wednesday was team day and all the members of the football teams wore their jerseys. There was also a tricycle race at noon between G.A.A. and Block "C", G.A.A. won. Thursday was the Bonfire Rally (Block "C" won the woodpiling contest). At last, game time. All was hope even until the last minute, but Lincoln won 20-7. At the Homecoming Dance the Imposters played to a capacity crowd of alumni and students.

This year our Bulldogs had to play in an even tougher league than ever before. With Los Banos and St. Marys added to the Valley Oak League, the championship was up for grabs between four schools until the final week of the season. Compared to last year our Bulldogs improved greatly. The homecoming game played in the fog with Lincoln will long be remembered The stalwart defensive game against Los Banos and northern California's leading passer can never be forgotten. The contest in the water at Sonora where our boys fought so well will linger in our memories. Never to be for-

gotten was the battle in the mud, and the heart breaking loss at St. Marys. Final mention must be made of what was perhaps the outstanding effort of the season--the Oakdale game, which ended in a tie. The fiercely fought contest was finally tied by Oakdale in the waning moments of the game.

All in all we are proud of our Ceres Eleven. The mighty graduating seniors will be missed. However the experienced juniors and promising sophomores should make our team just as strong next year.

The junior-varsity football team was composed of a few sophomores and many freshmen. The team got off to a very slow start but by the end of the year they were capable of playing good ball against any team in the league. They never gave up even when the odds were against them. The coaches and team are looking forward to a winning season next year.

The 1964-65 basketball season looked prosperous in Nov. when the team started its work outs. With returning senior Lettermen Wayne Baird, Jack Thornton and Paul Wright, Coach Pierce Butler picked his team as a possible "dark horse" in the league race. Seven juniors made up the balance of the squad. Among them, moving into the starting combination was Bruce Sitton and Ken Ware, other juniors who saw a lot of action were Ron Brown, James Barrett, Tim McElrath, Bob Wright, and Jim Hopper. With this nucleus back for next year the basketball team in 1965-66 should have a good year.

Playing in the tough Valley Oak League, Ceres was always in every ball game losing many of the games in overtime play or by two or three points.

"The Prince of Pilsen" was a big success as the first musical at Ceres High for a long time. The Music Department, under the direction of Mr. Robinson, put the musical on. The acting and choreography was delightfully different and the job done by the students on the scenery was terrific. The turnout for this school event was exceptionally good.

When you said it was hard to say really anything you were right 100%. You see, what I would like to say I can't because its ~~hard~~ hard for me to say what I feel in writing, but even though the rights words are not here on this paper the right feelings ~~are~~ ~~inside~~ are here inside of me. We have had a wonderful time this year doing things together and I am going to miss you next year. Really can't say a whole lot except that I will always cherish the memories we have made. I am very glad your my girl and I want it to be that way, well for as long as you want to be. I hope you get everything out of life you expect and may all your wishes come true. I wish you the best of luck as songleader — just hope you don't forget about me.

It doesn't seem like one year - (just one
year) since we met. Doesn't it seem like
we've known each other for years. It's been
much fun and we've done so many things.
I'll have to have a wonderful time as a
songleader next year. I'll be
and see you then.
God Bless You
